Dear FCC Family,

Thank you for the love and support that you've shown Mom and her family over the years, especially as she came to the end of her days here on earth. There were certainly a host of smiles as she joined the many that have gone before her.

Thank you for your attendance or even just holding us in your hearts the day of Mom's funeral. Don't ever consider that any kind gesture towards someone is wasted. It matters and it's noticed.

The bereavement meal was absolutely perfect. Not only filling, but nurturing to everyone's soul as they visited with some folks that haven't been seen in a while.

**Blessings,
Patsy Parrott's Family
Peggy, Phillip and Janet**

Thank You, Church!

During a time like this we realize how much our friends and relatives really mean to us.....

Your expression of sympathy will always be remembered.
